It is our vision that all children are able to attend a quality preschool.

### **Values**

#### *Empowering*

- Provide critical support for families during challenging periods

#### *Impactful*

- Level the playing field for children without other quality preschool options
- Build stronger, safer, and more productive communities

#### *Compassionate*

- Empathize without judgment for the myriad of difficult choices families face
- Understand the barriers culturally diverse families face within our community

#### *Integrity*

- Remain true to the mission
- Conduct a transparent and fair selection process

**PreSchool Advantage** will collaborate with current and new families with children entering PreSchool or PreKindergarten. Potential families are required to complete and submit the PreSchool Advantage tuition assistance application and meet/comply with admission standards of All Saints Academy.
