Dear Parents and Guardians:

This year, we are pleased that our students will be creating a special ceramic keepsake as a family gift for Christmas. We have made arrangements for a local ceramic/art studio to join us on Wednesday, December 5 to assist with this special project. Artists from *Brushes and Bisque* of Denville will be with us to lead students in the design, painting and creation of the following items:

- PreSchool – Grade 8: Set of two (2) ceramic ornaments - an angel & a Christmas tree, each approximately 3" x 3"

Through this project, students will learn about the ceramic painting process. We feel that this is a special way to have each child invested in both art and gifting. Painted ornaments will be “fired” at *Brushes and Bisque*, and students will have them back before Christmas break. You may learn more about *Brushes and Bisque* at www.brushesandbisque.net.

This is an optional activity, but one that is appropriate and enjoyable for students of all grade levels. The cost for each child’s project is \$20.00. If you choose for your child to participate, kindly indicate that on the form below and include the payment (check payable to ASA or cash) in a sealed envelope submitted to your child’s teacher. If you choose, your child may make two sets of ornaments (four in total); please also indicate your preference below and adjust your payment accordingly. Kindly respond to this request by Tuesday, November 28, so that we are well prepared with our plans for day of the activity. Students that are not participating will be included with the class, but will not complete the actual process.

Thank you very much for your support of this special holiday activity. We are looking forward to great artwork!
